PS CORE

HELPING YOU KEEP COMMUNITIES SAFE

Enabling real-time infield access to key decision making information.

PSCore continues Motorola Solutions' commitment to public safety frontline responders.

MOTOROLA SOLUTIONS

DELIVERING INTELLIGENCE TO THE FIELD

You're under pressure and almost everything is unpredictable, but one thing you can control is information.

PSCore is a mobile solutions platform providing secure, real-time access to key operational and decision-making information where and when you need it.

With PSCore you can go into situations with confidence and make better judgement calls because you're always up-to-date.

MORE EFFICIENT AND SAFER TEAMS

You start your shift, log into PSCore and straight away you can get updates about what's happening in your area, including current emergencies, persons of interest and team announcements.

You easily book your call sign, vehicles and equipment right in the app.

An alert tells you that dispatch has assigned you to an incident. Using PSCore's fast data sharing you have all the information you need in seconds so that you can respond safely and effectively.

INTEROPERABILITY

PSCore runs natively on iOS and Android phones and tablets and integrates with your existing records management and dispatch system(s).

Reducing implementation cost and time.

DISPATCH

Issuing tasks to emergency responders.

SEARCH AND ACCESS

Sharing information between HQ and the front-line.

EVENTS

Providing updates, completing reports,and sharing intelligence in real-time from the frontline.

LOWER RISK, BETTER OUTCOMES

Risk comes from uncertainty and lack of information.

PSCore delivers the data you request in a format that suits your level of urgency. 3-second, 30-second and 3-minute views give you customised summaries so you can make informed and timely decisions in every situation.
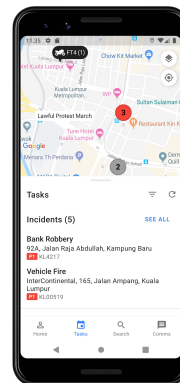

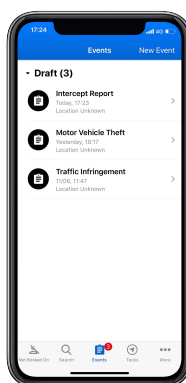

HELPING PEOPLE BE THEIR BEST IN MOMENTS THAT MATTER

DO IT THERE AND THEN

PSCore delivers the full range of public safety capabilities in one app so you won't need to go in and out of different systems for different tasks.

Fill in forms and update databases on the spot. The rest of your team have access to the information you entered, immediately.

ENABLE REAL INTEGRATION

Your team relies on intelligence from many sources including other organisations. PSCore plugs all your incoming data into one integrated, searchable system, giving you all the information you need in one place. Whatever you need to do in the field, PSCore can help you get it done faster and more easily:

- Enter information as you collect it
- Share intelligence across teams
- Integrate tasks and data sources
- Eliminate out-of-date or duplicated data
- Manage transactions and file reports

IMPROVED TRANSPARANCY

We want to help you achieve better productivity and accountability. PSCore gives you detailed, cross-referenced information about the activities of your team. Everyone is connected through the app, so you'll always know where your team are, how they're equipped and what they're doing.

PSCORE

It's about having the facts so you can respond to emergencies faster and more safely.

Get the advantage of real-time information.
